COMPANY ANNOUNCEMENT

Corinthia Hotel and Residences London

International Hotel Investments p.l.c. (IHI) announces that the 5-star luxury Corinthia Hotel London has started accepting bookings for reservations as of April 2011.

The Corinthia Hotel London is the result of a meticulous refurbishment of two landmark adjoining properties acquired by a consortium led by IHI from The Crown Estate in April 2008. The hotel will have 294 bedrooms and suites, and its adjoining building will feature a spa, managed by ESPA, and 12 residential apartments.

The properties occupy an entire block and are flanked by Whitehall Place and Northumberland Avenue in central London.
